U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are Bankruptcy Code sections 105 and 502, and Rule 3007 of the Bankruptcy Rules.

BACKGROUND

2. On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

3. The Debtors continue to manage and operate their businesses as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108.

4. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia appointed a statutory committee of unsecured creditors (the "Creditors' Committee"). To date, no trustee or examiner has been appointed in these chapter 11 cases.

5. On November 12, 2008, the Court appointed Kurtzman Carson Consultants LLC ("KCC") as claims, noticing and balloting agent for the Debtors in these chapter 11 cases pursuant to 28 U.S.C. § 156(c).

6. On January 16, 2009, the Court authorized the Debtors, among other things, to conduct going out of business sales at the Debtors' remaining 567 stores pursuant to an agency agreement (the "Agency Agreement") between the

Debtors and a joint venture, as agent (the "Agent"). On January 17, 2009, the Agent commenced going out of business sales pursuant to the Agency Agreement at the Debtors remaining stores. As of March 8, 2009, the going out of business sales at the Debtors' remaining stores had been completed.

7. On April 1, 2009, this Court entered an Order Establishing Omnibus Objection Procedures and Approving the Form and Manner of Notice of Omnibus Objections (Docket No. 2881) (the "Omnibus Objection Procedures Order").

8. On May 15, 2009, the Court entered that certain Order Pursuant to Bankruptcy Code Sections 105 and 503 and Bankruptcy Rules 2002 and 9007 (I) Setting Administrative Bar Date and Procedures for Filing and Objecting to Administrative Expense Requests and (II) Approving Form and Manner of Notice Thereof (Docket No. 3354) (the "Administrative Claims Bar Date Order").

9. Pursuant to the Administrative Claims Bar Date Order, the deadline for filing all "Administrative Expenses" (as defined in the Administrative Claims Bar Date Order) against the Debtors by any person or entity was 5:00 p.m. (Pacific) on June 30, 2009 (the "Administrative Claims Bar Date"). Pursuant to the Claims Bar Date Order, this Court approved the form and manner of the claims bar date notice, which was attached as Exhibit A to the Administrative Claims Bar Date Order (the "Administrative Claims Bar Date Notice").

10. On or before May 22, 2009, KCC served a copy of the Administrative Claims Bar Date Notice on all parties who filed notices of appearance pursuant to Bankruptcy Rule 2002, all of the Debtors' scheduled creditors in these cases, the Debtors' equity holders, and certain other parties (Docket Nos. 3397 and 4609). In addition, the Debtors published the Administrative Claims Bar Date Notice in The Financial Times (Docket No. 3970), and The Richmond Times-Dispatch (Docket No. 3969) and The Wall Street Journal (Docket No. 3968).

OBJECTIONS TO CLAIMS

11. By this Objection, the Debtors seek entry of an order, in substantially the form annexed as Exhibit A,

pursuant to Bankruptcy Code sections 105(a), 502, and 505 and Bankruptcy Rule 3007, reducing the claims asserted against the Debtors as set forth on Exhibit C (the "Claims"). The Claims were filed by local taxing authorities asserting claims for 2009 personal property taxes on personal property at the Debtors' store locations in the taxing authorities' jurisdictions. The Debtors have reviewed the Claims and submit that the Claims are overstated in amount given the value of the personal property that is the subject of the personal property taxes.

12. The Debtors, with the assistance of Ernst & Young LLP ("E&Y"), determined the appropriate personal property tax value of personal property assets at each of the Debtors' store locations as of the appropriate assessing jurisdiction's 2009 assessment date. The standard used to determine the value is in accordance with each state's valuation standard, which is typically fair market value or an interchangeable and equivalent substitutive term. In accordance with these standards, the Debtors applied the highest possible premise of value under the applicable value standard.

13. In determining the appropriate personal property value of the assets, either in exchange or in place and in

use, as of the 2009 assessment date, the Debtors analyzed multiple issues and analyses. To determine the value of the taxable furniture, fixtures, equipment, and leasehold improvements, the Debtors reviewed representative models of the subject property's site configuration and reviewed the subject store's detailed list of assets, as inventoried by the Debtors, to determine the replacement costs of the taxable assets. The replacement costs were derived using current vendor costs to the Debtors and, where appropriate, costs to install and place the assets in service.

14. Through personal interviews with used equipment vendors, the Debtors derived the selling price of the assets to determine the amount of accumulated depreciation to apply to the replacement costs and, where appropriate for an in use and in place premise of value, determine the like amount of accumulated depreciation of the costs to install and place the assets in service.

15. Where retail inventory held for sale, and/or consumable supplies, are taxable assets, the same premise of value for the furniture, fixtures, equipment, and leasehold improvements were used. After a review of the adjustments made to the Debtors' beginning costs of the retail inventory, including but not limited to obsolescence, distribution, and freight, the fair market value of the inventory did not exceed its book value. Therefore, the Debtors used the book value of the inventory as its fair market value under the stated premise of value. For consumable supplies, the Debtors determined the value by the amount reported on the Debtors personal property tax rendition, which is approximately a one month's supply of the year ending balances for expensed supplies.

16. In this Objection, and for the foregoing reasons, the Debtors are objecting to 120 claims for 2009 personal property taxes that were filed in the aggregate amount of \$4,600,321.53 and are seeking to reduce the claims for 2009 personal property taxes to no more than \$2,355,096.95 in the aggregate.

17. For ease of reference, attached as Exhibit B is an alphabetical listing of all Claimants whose Claims are included in this Objection, with a cross-reference by claim

number.

18. At this time, the Debtors have not completed their review of the validity of all claims/expenses filed against their estates, including the Claims. Accordingly, the Claims may be the subject of additional subsequently filed objections. To that end, the Debtors reserve the right to further object to any and all claims, whether or not the subject of this Objection, for allowance, voting, and/or distribution purposes, and on any other grounds. Furthermore, the Debtors reserve the right to modify, supplement and/or amend this Objection as it pertains to any Claim or Claimant herein.

RESERVATION OF RIGHTS

19. As noted above, the Debtors reserve their rights to file objections to these Claims at a later time on any grounds that bankruptcy or non-bankruptcy law permits. The Debtors likewise reserve the right to modify, supplement and/or amend this Objection as it pertains to any claim or claimant herein.

NOTICE AND PROCEDURE

20. Notice of this Objection has been provided to all claimants with claims that are the subject to this Objection as identified on Exhibit C, and to parties-in-interest in

accordance with the Court's Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management and Administrative Procedures (Docket No. 130) (the "Case Management Order"). The Debtors submit that the following methods of service upon the Claimants should be deemed by the Court to constitute due and sufficient service of this Objection: (a) service in accordance with Bankruptcy Rule 7004 and the applicable provisions of Federal Rule of Civil Procedure 4; (b) to the extent counsel for a Claimant is not known to the Debtors, by first class mail, postage prepaid, on the signatory of the Claimant's proof of claim form or other representative identified in the proof of claim form or any attachment thereto; or (c) by first class mail, postage prepaid, on any counsel that has appeared on the Claimant's behalf in the Debtors' bankruptcy cases. The Debtors are serving the Claimant with this Objection and the exhibit on which the Claimant's claim is listed.

21. To the extent any Claimant timely files and properly serves a response to this Objection by **4:00 p.m. on September 25, 2009** as required by the Case Management Order and under applicable law, and the parties are unable to

otherwise resolve the Objection, the Debtors request that the Court conduct a status conference with respect to any such responding claimant at 2:00 p.m. on October 7, 2009 and thereafter schedule the matter for a future hearing as to the merits of such claim.² However, to the extent any Claimant fails to timely file and properly serve a response to this Objection as required by the Case Management Order and applicable law, the Debtors request that the Court enter an order, substantially in the form attached hereto as Exhibit A, disallowing the Claims set forth on Exhibit C attached hereto for all purposes in these bankruptcy cases.

**COMPLIANCE WITH BANKRUPTCY RULE 3007 AND
THE OMNIBUS OBJECTION PROCEDURES ORDER**

22. This Objection complies with Bankruptcy Rule 3007(e). Additionally, the Debtors submit that this Objection is filed in accordance with the Omnibus Objection Procedures Order.

WAIVER OF MEMORANDUM OF LAW

23. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion, the Debtors request that the requirement that all

² In accordance with the Omnibus Objection Procedures Order, claimants who respond to the Objection do not need to appear at the status conference.

motions be accompanied by a written memorandum of law be waived.

NO PRIOR RELIEF

24. No previous request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Debtors request the Court to enter an Order sustaining this Objection and granting such other and further relief as the Court deems appropriate.
